Sir:

Further to the Amendment that was filed on July 15, 2004 and pursuant to the requirements of 37 C.F.R. 1.97 and 1.98, Applicants hereby request that the references in the attached lists be considered and made of record in the above-identified application.

As discussed in the remarks section of the Amendment on page 6 thereof, there are two copending U.S. applications, USAN 10/354,174 and USAN 10/754,598, that contain subject matter that is generally similar to that of the subject application. In addition, there is an abandoned application, USAN 08/903,086, that is also referenced in the specification of the present application on page 7, line 35 thereof. In the interest of insuring that all relevant prior art is considered during prosecution of the subject application, Applicants are providing herewith, lists of references that have been cited in these other applications. In citing these references, Applicants are making no admissions or representations as to the materiality of the references to the claims of the subject application.

07/23/2004 FHEK11 00000027 09787103

01 FC:1806

180.00 OP

The lists include an IDS list from USAN 08/903,086, as well as PTO-892 forms from the other noted applications or their parent applications. Where a reference has also been cited in the present application, either during the PCT international phase or during prosecution of the U.S. national phase, an asterisk has been on the list placed next to that reference. The notation "DUP" is also provided where a reference is cited more than once in the attached lists.

Copies of the U.S. patent references are not attached. Copies of the literature references cited by the Examiner is USAN 10/354,174 are attached, although copies of the literature references listed in the IDS for USAN 08/903,086 are not attached.

A check in the amount of \$180.00 to cover the fee for filing an IDS after receipt of a first Office Action is attached.

Please charge any deficiency in fees due for this filing to Deposit Account No. 10-1213.

Respectfully submitted,

By: William A. Blake
